Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

Extreme and unavoidable urgency

Significantly delays if going with any other supplier due to lead in times for door orders.

Doors were competitively tendered on a supply and fix basis. However, the preferred Trade Contractor didn't have a sufficient credit rating to support a procurement of this value/scope on top of their labour only element and with Datim having been brought into the supply chain it was believed added value could be achieved.
