II.1.4) Short description

Caledonia Housing Association and its subsidiary, Cordale Housing Association (referred to as the 'Group' in this document) invite potential suppliers to participate in the Framework Agreement for the Provision of Employer's Agent and Quantity Surveying Services. The Framework Agreement will be for an initial period of 4 years with a 2-year extension option, subject to satisfactory performance.

The Group has an ambitious programme to deliver 650 new, affordable homes over the next five years across Scotland.

The framework agreement is intended to support the delivery of new housing development and planned maintenance programmes over the next four years.

It is projected that the Group will deliver around 120 units annually over the life of the framework, along with several planned maintenance contracts.

The Group is one of Scotland's leading Registered Social Landlord and provides high quality affordable homes for people in housing need. We own and manage circa 6,000

homes across Tayside, Fife, the Highlands, East and West Dunbartonshire and North Lanarkshire.

Further information about the Group and its subsidiary can be found at:

II.2.4) Description of the procurement

The purpose of the Framework is to provide an overarching agreement under which the successful parties will then enter into project specific agreements. Each project will be commissioned separately and shall be subject to project-specific forms of contract including the appropriate contract terms.

The majority of projects will be managed by the Group's Development Team or Asset Management Team, although some may be managed on the Group's behalf by external consultants or other organisations.

The framework will be used to award the following contracts by the Group:

- a) all new housing projects where quantity surveying services are required;
- b) all new housing projects where employers agents services are required;

c) major refurbishment/planned maintenance Framework Agreements where quantity surveying services are required.

The Group intends to appoint three (3) Employer's Agents/Quantity Surveyor Consultancies under the framework agreement. These will include two major consultants (quantity surveyors) and one reserved consultant.

The principal Consultants Quantity Surveyors will be appointed to each project on direct appointment basis – with projects being allocated to each principal Consultant alternately. The reserve quantity surveyor Consultant would be appointed where the principal Consultant quantity surveyors declined to act or are unable to do so because of a conflict of interest or similar reason.

Suppliers will be required to express their interest by submitting responses to the Online Single Procurement Document (Scotland) Questionnaire on the Public Contracts Scotland (PCS) portal.

Following the evaluation of the SPD, shortlisted bidders will be provided with an Invitation to Tender (ITT).

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

It is expected that in the delivery of this service to the Group the service provider could engage in such activities as careers conventions, training events and seminars. Tenderers are asked to submit their proposal for community benefits as part of the invitation to tender stage. Please note, that this will be evaluated and scored according to the specified evaluation criteria. Community Benefits proposals made as part of a Bidder's tender submission will form a contractual commitment, and where appropriate; be included as one of the Key Performance Indicators and will be monitored during the Contract Period. Bidders should therefore ensure that commitments made within their tender submission are within their capacity and capability to deliver.
