### **II.1.4) Short description**

YPO are considering establishing a framework for Business Services within the Education Sector, this includes all schools/academy/multi-academy trusts (MATs) across the UK and will be a nationwide framework. The aim of this framework is to provide a compliant solution to support the Education Sector focussing on Primary, Secondary and Higher Education to meet their back-office functions and requirements supported through advice based services with supporting platforms where required.

YPO would like to create a solution that allows the education sector to procure all business services in one place, this may include:

- HR Advice
- Payroll Services
- Academy Conversion
- Occupational Health and EAP
- Governance
- Health and Safety in Schools
- Finance Management
- Data Protection

The above is an indicative list only and will be a flexible model as part of this project to help us gain an understanding of exactly what services the education sector requires to operate their back office functions effectively.
