II.2.4) Description of the procurement

The Authority wishes to procure a Supplier that can design and deliver: • Business transformation (Interim and Target Operating Models) to: o Improve and standardise ways of working across the Authority; o Maximise the use of available resources and enhance staff skills; o Increase organisational efficiency, substantially reduce the significant reliance on paper across the courts and tribunals system and to maximise return on investment by the Authority; o Support the Authority to deliver cultural changes required to embed new ways of working, secure the confidence and participation of key stakeholders and justice partners to operate within a digital-first environment; o Help deliver improved outcomes; and o Support the delivery of user-centric designed services. • A new digital solution (Themis) that must: o Safeguard the delivery of business-critical services and functions, interfacing or integrating as appropriate with Causeway and other essential digital systems, tools, and services; o Support improved business processes with increased automation and achieve a substantial reduction on the reliance of paper-based administrative processes, including the lodgement of applications and evidence (which can exceed thousands of pages depending on case type). o Provide GDPR (General Data Protection Regulation) / information management / security / PCI (Payment Card Industry) compliance whilst reducing the significant need for the storage of paper-based records by the Authority and judiciary. o Provide integrated modern payment, transaction and communication channels that reduce the reliance on paper and traditional channels; o Provide real time management information and automated workflow; and: o Support service delivery reflective of the new operating model design and service user needs.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £45,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

120

This contract is subject to renewal

Yes

Description of renewals

The contract will have an option to extend (subject to the terms of the contract and the performance of the

successful Economic Operator) for 6 years followed by a further optional extension period of up to 3 years.

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 3

Objective criteria for choosing the limited number of candidates:

Candidates will be assessed in accordance with Regulation 58 of the Public Contract Regulations 2015 as set out in the Information Memorandum. A selection process will be used to identify economic operators, who having submitted a response to the Selection Questionnaire, sufficiently demonstrate to the Department's satisfaction the appropriate technical and professional ability, economic, financial and legal standing to meet the requirements of the contract.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The figure provided at II.1.5 and II.2.6 is a maximum estimated contract value that reflects the potential scale of the contract and takes into account optional extension periods and the uptake of potential optional services as detailed in the tender documents. Neither CPD nor the Contracting Authority can provide any guarantee as to the level of business under this contract. This contract will not be awarded in Lots as a single supplier is required.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Candidates will be assessed in accordance with Regulation 58 of the Public Contract Regulations 2015 as set out in the Information Memorandum. A selection process will also be used to identify economic operators, who having submitted a response to the Selection Questionnaire, sufficiently demonstrate to the Department's satisfaction the appropriate technical and professional ability, economic, financial and legal standing to meet the requirements of the contract.

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

The appointment to the contract will be subject to the preferred supplier demonstrating that the minimum requirements specified in the selection questionnaire continue to be met and that there being no material adverse change to the standing of the supplier. The appointment will also be subject to all other necessary due diligence being carried out by the Authority. Contract performance will be subject to the conditions specified in the contract and the successful Supplier's performance on the contract will be regularly monitored.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Competitive dialogue
