Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Fixed and Mobile Weighbridge Services

Reference number

GCC005172CPU

II.1.2) Main CPV code

- 71632000 - Technical testing services

II.1.3) Type of contract

Services

II.1.4) Short description

The council invites Bidders to submit bids for the provision of Fixed and Mobile Weighbridge Services to ensure that all weighbridges (fixed and mobile) are supplied, installed, calibrated, certified in line with licensing conditions, repaired, maintained, cleaned and fully operational.

Fixed weighbridges services will be required for the council's 14 depots, mainly across the City of Glasgow and mobile services shall be required across the West of Scotland for the 11 Local Authorities (inclusive of Glasgow City Council) detailed in above

The agreement is split into four lots

Lot 1 - Hire of Weighbridge Test Vehicle and Operator (Mobile)

Lot 2 - Repair (Ad-hoc-emergency) and Scheduled Maintenance, Calibration and Re-verification of Weighbridge and Industrial Cleaning.

Lot 3 - Supply and Installation new Weighbridge, relocation, removal and recycling of Weighbridges existing weighbridges

Lot 4 - Structural Welding Repairs (Ad-hoc - emergency).

II.1.5) Estimated total value

Value excluding VAT: £420,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Hire of Weighbridge Test Vehicle and Operator (Mobile)

Lot No

1

II.2.2) Additional CPV code(s)

- 71632000 - Technical testing services

II.2.3) Place of performance

NUTS codes

- UKM82 - Glasgow City

II.2.4) Description of the procurement

Provision of Hire of Weighbridge Test Vehicle and Operator services will be required across the West Coast of Scotland for the 11 Local Authorities named above.

This requirement is to allow the Council s' Trading Standards Officers to test mobile weighbridges within various locations throughout the 11 Local Authority across the West of Scotland.

Services for Mobile Weighbridges will be carried out by the supplier mainly between June and September of each year of the framework. This will adhere to Weights and Measures Legislation, Trading & Standards which states that ALL public and private weighbridges within the LA's catchment area must be tested.

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

For Lots 1,2 and 3

The bidders must be a member of the United Kingdom Weighing Federation.

This is a mandatory requirement and will be evaluated on an pass/fail basis.

If bidders are not a member of the United Kingdom Weighing Federation they will not be considered.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Trading Performance

An overall positive outcome on pre-tax profits over a 3 year period. Exceptional items can be excluded from calculation. The above would be expressed in the ratio Pre-Tax Profit/Turnover.

Balance Sheet Strength

Net Worth of the organisation must be positive at the time of evaluation and organisation must not be subject to an insolvency process. Intangibles can be included for purposes of the Total Assets Figure. The above would be expressed in the ratio Total Assets/Total Liabilities

For non-UK Companies, ratios and minimum turnover should be calculated on information contained in the most recent audited accounts.

Bidders who have been trading for less than 3 years must provide evidence that they have complying with the above minimum financial requirements for the period during which they have been trading.

Bidders who do not comply with the above financial requirements but are part of a Group,

can provide a Parent Guarantee if the Parent company satisfies the financial requirements stipulated above.

Where the applicant is a group of economic operators (such as a consortium), the Lead Party of that group must comply with minimum financial requirements.

The council also requires assurance regarding the current liquidity of the bidding company. The Bidder may provide a Letter of Comfort from its own bank to satisfy the above financial requirement. The council would also be prepared to consider other documentation that provided evidence that the Bidder had adequate financial resources to undertake the contracts

Bidders will be required to provide adequate assurance of financial strength to successfully complete their contractual obligations and have available their two (2) most recent sets of annual audited accounts including profit and loss information.

The council reserves the right at its own discretion to seek such other information from the Applicant in accordance with Regulation 61(7) or Regulation 61(8) of the Public Contracts (Scotland) Regulations 2015 to prove the Applicant's economic and financial standing.

Bidders who are subsequently appointed to the Framework shall, during the lifetime of the Framework Agreement, inform the council immediately of any material changes to the information provided in their submission in relation to economic and financial standing. The Council notes Regulation 60(9) and 60(11) of the Public Contracts (Scotland) Regulations 2015 and reserves the right to refuse to award a contract following a mini-competition should the Applicant no longer meet the requirements set out in this SPD.

Any Bidder that fails to achieve or exceed the criteria as stated above will be excluded at this stage.

Minimum level(s) of standards possibly required

All Lots - Employer's Liability

The organisation shall take out and maintain throughout the period of framework agreement Employer's Liability insurance to the value of a minimum TEN MILLION (10000000) POUNDS STERLING in respect of any one claim and unlimited in the period.

Lots 1,2 and 4 Public Liability

The organisation shall take out and maintain throughout the period of the framework agreement Public Liability insurance to the value of at least FIVE MILLION (5000000) POUNDS STERLING in respect of any one claim and unlimited in the period.

Lot 3 - Public Liability

The organisation shall take out and maintain throughout the period of the framework agreement Public Liability Insurance to the value of at least FIVE MILLION POUNDS STERLING (5000000) in respect of any one claim and unlimited in the period including Pollution and Contamination cover (sudden and unforeseen) and in the aggregate.

Products Liability - All Lots

The organisation shall take out and maintain throughout the period of the framework agreement Products Liability insurance to the value of at least FIVE MILLION (5000000) POUNDS STERLING in respect of any one claim and in the aggregate.

Professional Indemnity - Lots 2 and 3

The organisation shall take out and maintain throughout the period of the framework and for a further 3 years on completion of the framework, Professional Indemnity insurance to the value of a minimum ONE MILLION (1000000) POUNDS STERLING in respect of any one claim and in the aggregate.

Motor - Lots 1, 2 and 3

The organisation shall take out and maintain, throughout the period of the framework, at least statutory Motor insurance cover as per the Road Traffic Act 1988.

Contract Works - Lot 3

The organisation should have Contract Works insurance for the duration of the framework Agreement. The value of each contract should determine the level of Contract Works required.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Lot 1- 4C1.2

Examples from both public and /or private sector customers and clients may be provided.

For each example the bidder must complete the template provided and provide the following information but not be limited to

Relevant examples should outline your experience in provision of Hire of Weighbridge Test Vehicle services that your company has delivered similar in scale and locations site for the

Council in the past three years. Your examples must demonstrate the service requirement detailed in section 4 of the scope of service.

Your response should address as a minimum, but is not limited to the following areas -

1. Customer name,
2. Contract start date
3. Contract end dates
4. Contract value
5. Challenges you experienced when you delivered this service of similar size and locations as outlined in the scope
6. Risks you may have encountered and what mitigating actions you took to resolve to deliver the service.
7. skills and experience of the proposed team who helped deliver these projects

Example 1 weighting will be 50%

Example 2 weighting will be 50 %

EVALUATION PROCESS – A minimum of pass mark of 60% out the 100% is required in total for this section.

Any Bidder who fails to achieve the minimum score for this section will be excluded at this stage.

Lots 2,3 & 4

Please provide 1 relevant examples of services carried out during the last three years as specified in the contract notice (examples from both public and/or private sector)

For each example the following information should be provided but not be limited to

1) An overview of the contract including:

1. Customer name,
2. Contract start date

3. Contract end dates
4. Contract value
5. Full detailed contract description to include what services were covered
6. Challenges you experienced when you delivered this service of similar size and locations as outlined in the scope
7. Risks you may have encountered and what mitigating actions you took to resolve to deliver the service.
8. Skills and experience of the proposed team who helped deliver these projects
9. Provide evidence which should include your response times and contingency provisions you put in place if weighbridge equipment failed. Example 1 weighting will be 50%

Example 1 weighting will be 100 %

EVALUATION PROCESS – A minimum of pass mark of 60% out the 100% is required in total for this section.

Any Bidder who fails to achieve the minimum score for this section will be excluded at this stage.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

Envisaged maximum number of participants to the framework agreement: 12

In the case of framework agreements, provide justification for any duration exceeding 4 years:

This framework will not exceed 4 years

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2016/S 052-087389](#)

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

19 April 2021

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

IV.2.7) Conditions for opening of tenders

Date

19 April 2021

Local time

12:00pm

Place

Glasgow, UK

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: This framework is for 36 months with a potential 12 month extension. Therefore it is estimated that the notice for this re-tender will be

issued in 2024/2025.

VI.3) Additional information

H&S – Please complete H&S Questionnaire for Lot 1-4. Bidders must complete H&S for the appropriate Lot they are bidding for as part of their submission response. Only the recommended suppliers will be evaluated. The Questionnaire will be evaluated pass or fail. Freedom of Information Act – Please refer to PCST technical envelope for ALL LOTS Tenders Amendments Certificate

–Please refer to PCST technical envelope for ALL LOTS. Prompt Payment Certificate – Please refer to PCST technical envelope for ALL LOTS. Bidders are required to complete the Non Collusion Certificate contained in Technical response area in PCS-T portal. All suppliers will be required to sign an Insurance – Please refer to PCST technical envelope for ALL LOTS. Terms and conditions are located within the buyer's attachment area with PCST portal. Additional information pertaining to this contract notice is contained in the ITT and SPD

Council Statements document within PCST attachment area. Bidders are required to review the Community Benefit Menu (provided within the Buyer's attachment area within PCST) and indicate the type and volume of Community Benefit outcomes which will be delivered should the cumulative contract spend for this framework. Suppliers must complete all threshold tabs within the community benefit menu offering the corresponding point allocation for each threshold. Suppliers will only be required to carry out the community benefits offered if spend reaches the relevant threshold. (SC Ref:643993) The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 17161. For more information see <http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

Community benefits are included in this requirement. For more information see <http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

(SC Ref:647657)

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 17161. For

more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

Lot 1 - Mandatory Community Benefits.

The minimum number of Community Benefits Points required for this lot is 20 points. Please see Document Four - Community Benefits Menu within the Buyers Attachment Area.
