Installation and operation of district heat network

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Colchester Northern Gateway Heat Network

Reference number

0205

II.1.2) Main CPV code

- 09323000 - District heating
 - IA01 - Design and construction

II.1.3) Type of contract

Supplies

II.1.4) Short description

Colchester Borough Council (the Council) and Colchester Amphora Energy Ltd (CAEL - wholly owned by the Council) are procuring a low-carbon heat network to supply heat to

homes, offices and healthcare facilities at Colchester's new Northern Gateway development. This scheme is based on an open loop Water Source Heat Pump (WSHP) within an energy centre together with associated pipe network.

II.1.5) Estimated total value

Value excluding VAT: £8,200,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 2

II.2) Description

II.2.1) Title

Construction of energy centre and operation and maintenance of heat network

Lot No

1

II.2.2) Additional CPV code(s)

- 45251250 - District-heating plant construction work
 - KA01 - For district heating

II.2.3) Place of performance

NUTS codes

- UKH3 - Essex

Main site or place of performance

Essex

II.2.4) Description of the procurement

- Design and build of the Energy Centre containing the heat pump, boilers and thermal store, and the remotely located bore hole pumps and ancillary equipment which together

with the heat network installed by the LOT 2 contractor and the Existing Works shall be commissioned and set to work by the LOT 1 contractor as an entire heat network using an IET MF1 (rev 6) contract entered into by the Council and the successful bidder.

•Design review and adoption of the DH Network to be constructed by the LOT 2 contractor and the review and adoption of the Existing Works together with the subsequent Operation and Maintenance of the entire Heat Network Scheme, which shall include the Energy Centre and all plant and equipment contained therein as well as the heat network installed by the LOT 2 contractor, entered into by CAEL and the successful bidder, using a bespoke contract for 5 years with the option for CAEL to extend for up to a further 5 years.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £7,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

68

This contract is subject to renewal

Yes

Description of renewals

The O&M element is the contract between CAEL and there is the option for the contract to be extended for up to a further 60 months.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Colchester Borough Council reserves the right to cancel the procurement at any stage of the process and not to proceed with the award of any contract. Under no circumstances shall CBC be liable to any candidate or tenderer in respect of its tendering costs.

II.2) Description

II.2.1) Title

Installation of heat network pipes

Lot No

2

II.2.2) Additional CPV code(s)

- 45232140 - District-heating mains construction work

II.2.3) Place of performance

NUTS codes

- UKH3 - Essex

Main site or place of performance

Essex

II.2.4) Description of the procurement

Installation of the DH Network into trenches for most of the developments constructed by the plot developers which will be installed in phases as plots on the development are sold and built out which is anticipated to be over a minimum of 5 years using a JCT Measured term Contract 2016 entered into by the Council and the successful bidder.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £1,200,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information
