### **Scope**

### **Reference**

CU.2075.MP

### **Description**

FindAPhD is a leading global platform for advertising PhD opportunities, connecting universities with prospective doctoral candidates worldwide. It provides a centralized hub where students can search for funded PhD projects, research programs, and scholarships across diverse disciplines. By leveraging FindAPhD, institutions can significantly enhance their visibility among a highly targeted audience of motivated researchers.

As part of this procurement, Cardiff University will purchase the Recommended Package from FindAPhD. This premium option offers the most comprehensive level of service, ensuring maximum exposure for our research programs and projects. Key features include:
