484-NYC-EN

Description

The Authority is seeking to engage with suppliers who have experience in this market to help it refine the requirements of the procurement exercise. This is a retrospective preliminary market engagement notice covering the Request For Information (RFI) that was published via our e-tendering system (YORtender) in November 2024. Discovery sessions were held in January and February 2025 for suppliers who had submitted an RFI.

Total value (estimated)

- £1,050,000 excluding VAT
- £1,260,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 July 2026 to 31 August 2029
- Possible extension to 31 August 2031
- 5 years, 2 months

Services

CPV classifications

- 63712700 - Traffic control services
- 48000000 - Software package and information systems
- 71355000 - Surveying services

Contract locations

- UK - United Kingdom

Engagement

Engagement deadline

29 November 2024

The engagement was carried out before this notice was published.

Engagement process description

The purpose of the Request for Information (RFI) is to assist North Yorkshire Council (the Authority) to understand the current market conditions. This is to inform their options for the procurement of a Digital Traffic Regulation Order (D-TRO) System. The Authority intends to use information gained from the market to inform future procurement options. This is a retrospective preliminary market engagement notice covering the RFI notice published via our e-tendering system (YORtender) in November 2024.

Participation

Particular suitability

Small and medium-sized enterprises (SME)

Submission

Publication date of tender notice (estimated)

26 January 2026
