Section VI. Complementary information

VI.3) Additional information

In April 2015 the MOD signed a thirteen year contract with Leidos Europe Ltd to provide the procurement and inventory management of commodity items (as well as the storage and distribution services) historically provided in-house by the Logistic Commodities and Services Operating Centre. Leidos, working with the MOD, will transform the way these services are delivered to ensure requirements continue to be met whilst providing best value for money for the department. The organisation delivering these services is known as Team Leidos. Team Leidos wishes to stimulate interest, information and views across the market for the fulfilment of this requirement via this PIN.

This prior information notice is not a means to submit a formal expression of interest in respect of any potential tender. Any resultant requirement will be subject to Public Procurement Regulations and respective advertising action.
