Scope

Description

Nuclear Restoration Services (NRS) Limited (Dounreay) is seeking to establish a Contract to provide an Onsite Minibus Service.

The duration of the Contract shall be two years from April 2026 to March 2028.

The scope of works shall consist of the following activities;

Provision of a daily minibus service to transport Occupational Health Department pass holders and flexi time workers from an offsite carpark to several locations on-site at in-muster and a return journey at out-muster. There is no requirement for the service every third Friday. One minibus is required to carry out this service.

During periods of bad weather, the minibus service shall be available to transport other employees to and from the off-site car parks.

In addition to the fixed daily runs the Contractor shall provide transportation for site tours on an ad-hoc basis.
