Milton Keynes College and Activate Learning are education provider partners developing the South-Central Institute of Technology working with the Department of Education. The South-Central Institute of Technology is a three-site development based in Reading, Oxford, and Milton Keynes.

This tender is only pertinent to the Milton Keynes Site Only

SCIoT Bletchley Campus Located in Milton Keynes at Milton Keynes College Bletchley Campus. As part of the development the project requires the installation of IT equipment for the newly refurbished building which has 4 floors. This tender requires the contractor to procure, deliver and install the IT equipment to the SCIoT Bletchley Campus.

The work to install the IT and Gaming equipment will be a two phases approach, Installation of Gaming equipment needs to start at 08:00 am on Monday 8th Aug 22 and

be complete by 19th August 2022. Installation of IT equipment will need to be confirmed between the project team and contractor therefore the delivery schedule must be coordinated with the project team to ensure a structured installation program is carried out.

All deliveries / work must be carried out sensitively and with extreme care as Bletchley College campus is active, there will be staff on site. There is good access to the site at Bletchley Campus there is also the use of a goods service lift to the All Floors in the building for contractors.

Full drawings are included within the tender pack along with contact details of key individuals to provide instruction and responses to queries during the fit-out period.
