Buyer's address

<http://www.metoffice.gov.uk>

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Other activity

Meteorological Office

Section II: Object**II.1) Scope of the procurement****II.1.1) Title**

Radome Maintenance

Reference number

DN647079

II.1.2) Main CPV code

- 71631000 - Technical inspection services

II.1.3) Type of contract

Services

II.1.4) Short description

The Met Office Weather Radars are able to detect a very small return signal from precipitation at ranges of up to 250Km from the site. To maintain data quality the radome must have little or no effect on the returned signal. To mitigate the effect the radome structure has on the returned signal, and to ensure all electrical and other equipment within the radome is kept dry and secure from the elements requires routine maintenance of the structure to ensure it is clean, watertight, fully coated to repel precipitation (Hydrophobic) and structurally sound to withstand environmental loadings.

This contract is to deliver these requirements across the 18 Weather Radar sites.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £500,000

II.2) Description

II.2.2) Additional CPV code(s)

- 35722000 - Radar

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Met Office Weather Radars are able to detect a very small return signal from precipitation at ranges of up to 250Km from the site. To maintain data quality the radome must have little or no effect on the returned signal. To mitigate the effect the radome structure has on the returned signal, and to ensure all electrical and other equipment within the radome is kept dry and secure from the elements requires routine maintenance of the structure to ensure it is clean, watertight, fully coated to repel precipitation (Hydrophobic) and structurally sound to withstand environmental loadings.

This contract is to deliver these requirements across the 18 Weather Radar sites.

II.2.5) Award criteria

Quality criterion - Name: Quality criterion - Name: Compliance to specification including commercial capability, sustainability and environment improvements / Weighting: 70

Price - Weighting: 30
