Norfolk Community Health and Care (acting as the Procurement lead for the Norfolk and Waveney STP provider Trusts) has established a framework of capable and qualified partners to deliver a training cohort of Nursing Associate Apprenticeships. The programme aims to produce nursing associates who are fit to practice in the widest range of settings. The programme combines academic and work-based learning through close collaboration between employers and education providers. As an employee, a trainee nursing associate will be based in a particular organisation in a specific setting. But they will also experience working in alternative settings to gain a wide appreciation of many health and care environments to fulfil all the requirements of the programme. At the end of the programme, the trainee will be equipped with the knowledge, understanding, skills, attitudes and behaviors relevant to employment as a nursing associate.
