2670-TEN-O

Description

Great Yarmouth Borough Council (GYBC) has a requirement to replace the existing cremators with new cremators and accompanying emissions abatement system, along with improvements to extend and refurbish elements of the existing building.

The project involves extending and refurbishing the existing Great Yarmouth Crematorium, along with replacing and upgrading the cremators to meet upcoming legal requirements.

GYBC are looking to procure Project Management services for replacement of existing cremators and associated building works at Great Yarmouth Crematorium. (there will be a separate tender for the various design team who will need to work in conjunction with the Project Manager Services supplier).

Please see Section C - Specification for further information on the services requirement.
