I.6) Main activity

Port-related activities

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Waste Management Services

Reference number

PPIL/C0096/PRO89

II.1.2) Main CPV code

- 90510000 - Refuse disposal and treatment

II.1.3) Type of contract

Services

II.1.4) Short description

Initially for the Port of Liverpool (Mersey Docks and Harbour Company Limited - MDHC) and the Port of Manchester (The Manchester Ship Canal Company Limited - MSCC), with the opportunity to extend to other Ports given the right conditions, A total waste management solution is required to ensure both that Peel Ports legal requirements continue to be met, and that the environmental impact of the waste generated is minimised.

II.1.5) Estimated total value

Value excluding VAT: £4,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 1

II.2) Description

II.2.1) Title

Lot 1 Bin and Skip Collections

Lot No

1

II.2.2) Additional CPV code(s)

- 90511000 - Refuse collection services
- 90513000 - Non-hazardous refuse and waste treatment and disposal services
- 90514000 - Refuse recycling services
- 90533000 - Waste-tip management services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Port of Liverpool

II.2.4) Description of the procurement

The Supplier of the waste management Services will be required to store, remove, process, transport and ultimately dispose of all of the waste generated with the Peel Ports. This shall include the supply of all equipment, plant, containers, vehicles, IT equipment, materials, labour and incidentals to facilitate the delivery of the Services.

The Services shall be provided by staff who have been given regular training which is appropriate to ensure that the Services are delivered safely and correctly with all reasonable skill and care.

The Supplier shall, in a timely manner, provide Waste Transfer Notes, Consignment Notes and any other waste collection documentation which is necessary to demonstrate that waste is being managed in a compliant manner.

The tender is split into two lots;

Specifically for Lot 1 – Bin and Skip Collections – This will be a traditional waste management arrangement where periodic container lifts are made, and waste is immediately taken off site for onward processing. Collections to be made up of mobile

compaction and single trip services.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £2,400,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

96

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

Objective criteria for choosing the limited number of candidates:

The five highest scoring Applicants in each lot will be invited to Tender.

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

The contract will be for an initial fixed term of 4 years with options to extend up to a maximum of 8 years in 1 year increments.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

Only one of the two lots will be awarded (as they both meet the same ultimate need). Whichever lot is awarded, the other shall be discontinued.

II.2) Description

II.2.1) Title

Lot 2 On-Site Waste Management and Recycling Facility

Lot No

2

II.2.2) Additional CPV code(s)

- 90511000 - Refuse collection services
- 90513000 - Non-hazardous refuse and waste treatment and disposal services
- 90514000 - Refuse recycling services
- 90533000 - Waste-tip management services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Port of Liverpool

II.2.4) Description of the procurement

The Supplier of the waste management Services will be required to store, remove, process, transport and ultimately dispose of all of the waste generated with the Peel Ports. This shall include the supply of all equipment, plant, containers, vehicles, IT equipment, materials, labour and incidentals to facilitate the delivery of the Services.

The Services shall be provided by staff who have been given regular training which is appropriate to ensure that the Services are delivered safely and correctly with all reasonable skill and care.

The Supplier shall, in a timely manner, provide Waste Transfer Notes, Consignment Notes and any other waste collection documentation which is necessary to demonstrate that waste is being managed in a compliant manner.

Specifically for Lot 2 – On-Site Waste Management and Recycling Facility (OSWM) - In order to maximise the Port of Liverpool's recycling performance and minimise the number of waste collections required, the Supplier is to establish, manage and operate a day shift on-site waste management and recycling facility.

With dedicated staff to provide the Services, the Supplier will collect waste from the respective storage locations on the Port and bring it back to a central facility where the waste will be sorted into different waste streams maximising recycling and revenue generation (for example woods and metals). Compaction for disposal purposes, shall be used wherever it is optimal, both operationally and economically.

Where it's not economic to do so (likely to be locations that are not based on the Port of Liverpool), traditional bin and skip collection to permitted waste management facilities will continue to be provided.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £4,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

96

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

Objective criteria for choosing the limited number of candidates:

The five highest scoring Applicants in each lot will be invited to Tender.

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

The contract will be for an initial fixed term of 4 years with options to extend up to a maximum of 8 years in 1 year increments.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with a single operator

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

4 April 2022

Local time

10:00am

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.4) Procedures for review

VI.4.1) Review body

High Court of England and Wales - Technology and Construction Court

7 Rolls Buildings, Fetter Lane

London
