## **Engagement**

### **Engagement deadline**

30 January 2026

## **Engagement process description**

Suppliers are requested to complete a questionnaire as part of the Pre Market engagement.

To ensure that the Framework delivers success for all parties, we believe it is important to design a procurement process which facilitates the best possible result supported by a model which enables innovation, flexibility and encourages true partnership.

Supplier responses to the questionnaire will help assist with finalising the tender documents, which will be published next month.

Providers wishing to complete the questionnaire can access the document and respond via the Proactis portal
