Services

II.1.4) Short description

The University of Portsmouth's mission is to 'create, share and apply knowledge to make a difference to individuals and society'. This is being delivered through the University's Vision 2030 and Strategy 2020-25; it places benefitting wider society at our core through our ambitions to become one of the UK's leading civic universities, significantly building our global research and reputation, and delivering globally-recognised solutions that improve society. Through our research and innovation activities we expect to demonstrate our leadership and increase our funded collaborations with businesses and the public sector, grow our strategic partnerships, and increase the opportunities for student engagement in knowledge exchange activities. The University has identified research and innovation strengths in the following areas: Lot One: Creative and Digital Lot Two: Health and medical technologies Lot Three: Clean growth/net zero/environmental sustainability Lot Four: Heritage Lot Fiv
