II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £220,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKN - Northern Ireland

II.2.4) Description of the procurement

The Clinical Communications Gateway (CCG) was developed and is supported by National Services Scotland - a Public Body providing services to the NHS in Scotland. NSS have provided the system to the HSC and is used to send and track electronic referrals

between GPs and secondary and community care services. NSS provide application system support and upgrade services to the HSC. CCG has brought significant benefits to the referral process in recent years. It helps ensure the secure and timely delivery of accurate patient referral details so improving the service to

patients. The HSCB has mandated the use of CCG for all referrals from GPs to consultant led services. A failure to continue with the system would have a very significant impact on patients, GPs and staff in secondary and community care settings.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure
