II.1.4) Short description

Brent Council is tendering for a range of Housing Related Support (HRS) Services, including; Older Persons floating support, Homelessness & Ex-offenders accommodation based service, Mental Health accommodation based service, Handyperson Service, Young Persons accommodation based service (18-21), Generic floating support and a Domestic Abuse (Refuges) and a Complex Women's accommodation based service.

Housing Related Support is a non-statutory service, which provides low-level support to a range of vulnerable people as mentioned in the above paragraph for a period of up to two years. HRS can be delivered either in a person's own home (floating support) or in identified accommodation where the support is linked with the accommodation. Support consists of supporting people to pay their rent & utility bills, help find employment, training or education and support people to cook, shop and engage with the community. In essence, it provides the life skills to enable vulnerable people to live independently and maintain a tenancy.

The total budget for whole contract period of 5 years is estimated to be in the region of approx. £15,238,240.88 of which £15,100,982.33 is for the 7 HRS services and £137,258.55 is allocated to the three Crash Pads for young people within the Young Persons accommodation based service (18-21).

The duration of the contracts will be an initial period of three years, with an option to extend for a further two years on a one plus one basis.

Potential bidders are advised to contact Landlords to discuss details of the management agreements or SLAs. Contact details are contained within the individual specifications for each lot where relevant

The Authority requires the delivery of a Handy Person Service based Housing Related Support (HRS) service for vulnerable older people. The service will deliver 129.5 hours of support per week for people who require a Handyperson service to help them remain at home for longer. The age eligibility criteria for the service is for adults who are over 50 years old. The Handyperson service aims to support people to sustain their tenancy or home and reduces the need for more intensive support at a later stage. The service also aims to help people maintain or regain their independence, increase safety in the home and encourages people to settle back into the community and support the development of self-reliance.

An indicative overall budget has been set at £131,667 per annum and £394,999 for the term of 3 years and £658,332.68 for the term of 5 years. This will be to deliver 129.5 hours of support per week.

II.2.4) Description of the procurement

Lot 5. Young Person Service (18-21)

The Authority requires the delivery of a short-term accommodation based Housing Related Support (HRS) service for vulnerable young people aged between 18-21 who have been or who are homeless or at risk of being homeless including those with an offending background. The service will deliver 315 hours of support per week for young people between the age of 18-21 years of age who require housing related support accommodation. Support hours will be delivered across 6 properties totalling 45 units (accommodation details are listed in the specification published). The service will not deliver any personal care or registered activities, therefore providers do not need to be CQC registered.

In addition, there are 3 Crash Pads, which are based within the Willesden Lane properties. These are for 16-17 years of age and referrals come solely from CYP directorate. The crash pads will provide 9 hours of support per crash pad, totalling 27 hours per week which is in addition to the 315 hours. Support will be delivered on a basket of hours, depending on needs of the individual. The 'Crash Pad' will require a dedicated support worker who will work in partnership with Children Services to ensure young people are supported to reduce the risk of homelessness and help them to acquire life skills including EET.

The bidder must deliver this service in conjunction with the wider HRS Young Person service as set out in this service specification. The HRS service should work to support vulnerable young adults from ages 18-21 to move on to be able to live independently. The maximum time any individual should stay at the accommodation based support service should be approx. 18 to 24 months.

An indicative overall budget has been set at £320,269.95 per annum and £960,809.85 for the term of 3 years and £1,601,349.75 for 5 years. This will be to deliver 315 hours of housing related support per week across 45 units and 7 properties. This excludes the Crash Pads.

In addition to the HRS budget, an indicative overall budget for the Crash Pads has been set at an annual cost of £27,452, for the term of three years will be £82,355, and for the term of five years will be £137,258.55.

NB The Council is looking for one provider to deliver Young Person Service(18-21).
