Landscape Maintenance at The Royal Parks

Description

The Royal Parks is currently preparing for the renewal of the Grounds Maintenance Contract across several sites.

This will cover the provision of grounds maintenance and associated services in accordance with the objectives and requirement of the Procurement Act 2023 (PA23).

The scope includes but is not limited to:

- Routine and reactive grass cutting, lawn care, and turf management.
- Maintenance of hedges, shrubs, flowerbeds, and seasonal planting.

- Weed control, including the use of approved herbicides and environmentally sustainable alternatives.
- Litter picking, leaf clearance, and general grounds tidiness.
- Winter services, such as gritting and snow clearance (where applicable).

Stewarding at select events and site

- Associated inspections, reporting and compliance with relevant health and safety, environmental standards and Park management.

This contract aims to provide compliant, flexible, and a value for money route for the Royal Parks across a number of sites. Successful suppliers will be required to demonstrate:

- Relevant experience and technical capability in grounds maintenance.
- Working to applicable ISO standards such as sustainability, quality, health and safety, and any other relevant standards (e.g., ISO 9001, 14001) or equivalent systems.
- A commitment to sustainability, biodiversity, and social value outcomes in line with the public benefit requirements of Procurement Act 2023.
