**II.1.4) Short description**

Nottingham City Council, acting in its capacity as the accountable body for the Midlands Energy Hub, is inviting applications from suitably experienced and qualified entities to participate in a DPS covering a range of professional services to support the delivery of energy-efficiency retrofit projects.

This DPS is organised into 8 Categories covering the types of measures and installations required.

- Category 1: Retrofit Coordinator,
- Category 2: Retrofit Assessor,
- Category 3: Retrofit Designer,

- Category 4: All Retrofit Coordination Steps (excluding Stage 5 Install),
- Category 5: EPC Assessment,
- Category 6: Retrofit Programme Management,
- Category 7: Stock Analysis,
- Category 8: Project Management.

In addition, call-offs may include associated services either where these are necessary to undertake the tasks that are central to the call-off, or where it would be beneficial to the project to have additional tasks carried out by the same consultant and the associated services constitute a small part of the overall call-off.
