Options: Yes

Description of options

phase 1 is for £159k. phases 2 and 3 will be placed as options and will be taken up if funding is available.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The Ministry of Defence intends to award a contract for

The Provision of the Load Effects Assessment Program (L.E.A.P) to Human Systems Incorporated using the negotiated procedure without the prior publication of a contract notice under Regulation 16(1)(a)(ii) of the Defence and Security Public Contracts Regulations 2011 (SI 1848) (Article 28(1)(e) of Directive 2009/81/EC). This is on the basis that for technical reasons the Contract may be awarded only to the Supplier.

It is considered that this contract can be placed using the negotiated procedure without prior publication of a contract notice pursuant to (Regulation 16(1)(a)(ii) of the Defence and Security Public Contracts Regulations (DSPCR of 2011) for the following technical reasons:

- HSI are the only economic entity with the expertise to undertake this requirement and the only entity that has the required NATO accreditation.
- UKMOD considers that it would be technically impractical for another entity to develop an equivalent system and achieve NATO accreditation within the timescales required.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

A contract/lot is awarded: Yes

V.2) Award of contract/concession
