Explanation:

Following the tender of this procurement via CCS Framework RM6069 Vehicle Lease Fleet Management and Flexible Rental Solutions - Lot 3, we received no bids on this opportunity despite there being 13 suppliers on this lot. The reason for the veat notice is to provide a direct award to the current supplier to ensure continuity of service to the MCA as a category 1 responder. The period of this award will allow us to fully engage with the market place and its suppliers in readiness for retendering in April 2023. One of the main reason why suppliers did not tender was because of the diverse geographical location of the MCA throughout the UK. CCS are putting in place a new Framework which should be in place in June 2023.
