Main address

<https://des.mod.uk/>

I.2) Information about joint procurement

The contract is awarded by a central purchasing body

I.4) Type of the contracting authority

Ministry or any other national or federal authority

I.5) Main activity

Defence

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Defence Sourcing Portal - Provision of Emergency Breathing System (EBS) and In-Service Support

Reference number

708090450

II.1.2) Main CPV code

- 44611200 - Breathing apparatus

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Single Statement of Need (SSON), for an emergency breathing system is: UK MOD personnel shall, as far as is reasonably practicable, be provided the means to extend time underwater so that escape from an aircraft, which has capsized or submerged as a result of an attempted controlled ditching or an uncontrolled water impact, is achievable if not constrained by external factors outside of what is expected.

Aim of the procurement is to:

1. Procure an Emergency Breathing System (EBS) to BSEN 4856: 2018 and to reduce Risk to Life (RtL) to As Low As Reasonably Practicable (ALARP);
2. Create a contract which provides a through-life procurement and support solution to improve repairs and spares availability, reduce delivery times and minimise the future contract management burden for The Authority: and
3. Maintain or reduce the overall cost of ownership through life.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £1,950,282.50

II.2) Description

II.2.2) Additional CPV code(s)

- 44611200 - Breathing apparatus

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Single Statement of Need (SSON), for an emergency breathing system is: UK MOD personnel shall, as far as is reasonably practicable, be provided the means to extend time underwater so that escape from an aircraft, which has capsized or submerged as a result of an attempted controlled ditching or an uncontrolled water impact, is achievable if not constrained by external factors outside of what is expected.

Aim of the procurement is to:

1. Procure an Emergency Breathing System (EBS) to BSEN 4856: 2018 and to reduce Risk to Life (RtL) to As Low As Reasonably Practicable (ALARP);
2. Create a contract which provides a through-life procurement and support solution to improve repairs and spares availability, reduce delivery times and minimise the future contract management burden for The Authority: and
3. Maintain or reduce the overall cost of ownership through life.

The procurement has three major outcomes required from the same supplier and contract as follows:

1. One off bulk procurement and delivery to shelf of new compliant EBS units to be delivered in FY 23/24. This will be in the region of 1,300 units depending on budget and final price.
2. To create a through-life contract which supports the following elements:
 - i. Repair of agreed components by the OEM. e.g., mouthpiece and regulator and bottle regulator;
 - ii. Provision of simple repair packs for second line to use;
 - iii. Provision of parts to second line as required;
 - iv. EBS equipment unit serviced by the OEM;
 - v. Design and deliver 10 "Train the trainer" courses for 5 x maintainer instructors and 5 x user instructors;
 - vi. Design and support the set-up, evaluation, support and delivery of test articles;
 - vii. Creation of a support help desk/portal to manage and resolve satisfactorily:
 - a. Technical enquires or issues;

- b. Spares identification;
- c. New unit, spares, repairs or servicing (if required) enquires and order placement
- d. Delivery times on new orders or work in progress;
- e. Training issues and documentation;
- f. Safety issues and documentation; and
- g. ILS issues and documentation.

II.2.5) Award criteria

Quality criterion - Name: Survitec Group Ltd / Weighting: 35.01

Cost criterion - Name: Survitec Group Ltd / Weighting: 40.00

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure
