Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Due to the commercial nature of this agreement and complexities of tendering the requirements, a direct route to market without competitive actions is required.

After dialog with other institution re this requirement, reason for not tendering can be summarised below:

The commercially sensitive nature of the requirements. Some institutions will only use certain agents and some agents will only deal with certain institutions (mainly universities).

No appetite for agents to tender especially in the far east.

Certain agents are affiliated with certain Ministries. In this instance, the Ministry of Tourism will only deal with Qobolak. If we did use Qobolak then this deal couldn't go ahead.

Agents will not sign up to institutions terms and conditions.
