- 71000000 - Architectural, construction, engineering and inspection services

II.2.3) Place of performance

NUTS codes

- UKI61 - Bromley

II.2.4) Description of the procurement

The London Borough of Bromley is seeking a contractor to deliver an annual programme of risk assessment, servicing and maintenance for fire safety for the council's operational property for a fixed price, and will provide a schedule of rates for emergency call out services and replacement or significant repairs which may be instructed where required.

These services are currently provided under a Total Facilities Management contract. The Council has decided to transform its property function and move away from the total facilities management approach and is seeking a provider to deliver fire safety services only for its operational estate under this contract. The Council's vision is to directly appoint a specialist and responsive supply chain for whom the Council is a priority customer.

The tender opportunity will be run through the London Tenders Procurement Portal and you will need to register your company with the portal as soon as possible (if you have not already done so) at www.londontenders.org to ensure that you are able to access and submit the relevant documents online.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 40
