If, after the specified time, they still fail to reach satisfactory levels of Contract performance, the matter will be escalated to senior management in Construction and Procurement Delivery (CPD) for further action. If this occurs and their performance still does not improve to satisfactory levels within the specified period, it may be regarded as an act of grave professional misconduct and they may be issued with a Certificate of Unsatisfactory Performance and the Contract may be terminated. The issue of a Certificate of Unsatisfactory Performance may result in the Contractor being excluded from all procurement competitions being undertaken by Centres of Procurement Expertise on behalf of bodies covered by the Northern Ireland Procurement Policy for up to three years. The Department for the Economy (the Client) will have its own procedures in place to monitor and review each Contractor's performance. The Client will use the outputs from these contract monitoring procedures to monitor and review the Contractor's performance.
