Scope

Description

Wirral Change provide services for ethnic minority communities across the borough. The Cheshire & Merseyside Cancer Alliance aims to support them to deliver training to their workforce and network of volunteers, to enable them to support their client base. This will lead to awareness raising of the signs and symptoms of cancer and more timely presentation to services. In addition, Wirral Change will host a community event and co-produce e-learning materials for the benefit of other groups working with ethnic minority communities facing barriers to health/cancer /screening services.
