II.2.4) Description of the procurement

The Service Provider shall provide 3 x 40 yd. skips (or their equivalent) and collect loose material (bagged) and fly tipped material from a specified collection point. Access for the service provider to Waterton Depot will be during the operating hours. The Service Provider will be required to provide agreed sized skips to the specified collection point, remove skips within 1 working day of a request and process the material therein for recycling. The council will make every effort to remove all white goods, tyres, fluorescent lights, and gas cylinders from the skips before collections. Every attempt will be made to identify high levels of dog fouling and segregate, if required by the Service Provider but they will still be responsible for its disposal.

The Service Provider shall ensure that the driver(s) of any vehicles(s) deployed on this service are equipped with a communication system in the vehicle. Sheeting is to be used on skips collected from the specified collection point to prevent loss of load during transit.

The recycling targets will be set at a minimum of 40% for the total amount of waste deposited at the Service Provider facility.
