## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Physical Data Capture and Management

Reference number

SW21/ACP/1338

#### **II.1.2) Main CPV code**

- 71250000 - Architectural, engineering and surveying services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

To support our business, Scottish Water require a partner survey supplier(s) who will help us provide innovative solutions for the capturing of topographic and other digital information to help us manage our business and plan and deliver our Capital Programme. We currently use many common survey techniques through our current suppliers. In our new Investment Planning period we are looking for survey suppliers to collaborate with us more closely in order to innovate.

SW is keen to explore all survey methodologies that can deliver its data requirements, especially if different techniques can provide our data requirements at a lower cost, less risk or with additional value.

Scottish Water intends to award contracts under this framework through 4 services. They are as follows:

- Land Topography Surveys
- Utility Location Surveys
- Digital & Video Images Surveys
- Bathymetric Surveys

Full scope and output requirements can be found within the PQQ overview document

within Delta.

### **II.1.5) Estimated total value**

Value excluding VAT: £4,200,000

### **II.1.6) Information about lots**

This contract is divided into lots: No

## **II.2) Description**

### **II.2.2) Additional CPV code(s)**

- 38290000 - Surveying, hydrographic, oceanographic and hydrological instruments and appliances
- 71351810 - Topographical services
- 71353000 - Surface surveying services
- 71351923 - Bathymetric surveys services
- 79961200 - Aerial photography services
- 35613000 - Unmanned aerial vehicles

### **II.2.3) Place of performance**

NUTS codes

- UKM - SCOTLAND

Main site or place of performance

SCOTLAND

### **II.2.4) Description of the procurement**

To support our business, Scottish Water require a partner survey supplier(s) who will help us provide innovative solutions for the capturing of topographic and other digital information to help us manage our business and plan and deliver our Capital Programme. We envisage our survey partner will work with our Asset Planners, Asset Operations and Project Delivery Partners to provide a comprehensive suite of survey and data services, covering Topographic, Bathymetric, Utility Location surveys together with Digital modelling.

We currently use many common survey techniques through our current suppliers. In our

new Investment Planning period we are looking for survey suppliers to collaborate with us more closely in order to innovate.

Scottish Water is keen to explore all survey methodologies that can deliver its data requirements, especially if different techniques can provide our data requirements at a lower cost, less risk or with additional value.

Scottish Water intends to award contracts under this framework through 4 services. They are as follows:

- Land Topography Surveys
- Utility Location Surveys
- Digital & Video Images Surveys
- Bathymetric Surveys

Full scope and output requirements can be found within the PQQ overview document within Delta, including 'Access Codes' to each service technical questions.

#### **II.2.5) Award criteria**

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### **II.2.6) Estimated value**

Value excluding VAT: £4,200,000

#### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

96

This contract is subject to renewal

Yes

Description of renewals

The contract will be awarded for an initial period of 4 years with a further 4 years of extension options thereafter at the sole discretion of Scottish Water.

**II.2.9) Information about the limits on the number of candidates to be invited**

Envisaged minimum number: 3

**II.2.10) Information about variants**

Variants will be accepted: No

**II.2.11) Information about options**

Options: No

**II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

**II.2.14) Additional information**

The PQQ documents can be also accessed by logging in through the Scottish Water Delta E-Sourcing webpage <https://scottishwater.delta-esourcing.com> and through the Response Manager section using the following Access Code:JZ46GHG88N

---

## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.2) Economic and financial standing**

Minimum level(s) of standards possibly required

Applicants will be expected to be of sufficient financial and economic standing to support the anticipated contract value. All applicants must complete the financial questions within the pre-qualification questionnaire and tender documents. Financial standing relevant to the anticipated contract value will be determined by Scottish Water based on the response to the pre-qualification questionnaire and any further financial checks deemed necessary.

#### **III.1.3) Technical and professional ability**

Selection criteria as stated in the procurement documents

#### **III.1.6) Deposits and guarantees required**

Scottish Water reserves the right to require deposits, guarantees, bonds or other forms of appropriate security.

#### **III.1.7) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them**

All prices quoted shall be in Sterling (UK) and all payments shall be made in Sterling (UK). Payment shall be made on the basis of completed services in accordance with the agreed contract rates, schedules and conditions of contract.

#### **III.1.8) Legal form to be taken by the group of economic operators to whom the contract is to be awarded**

In the event of a group of companies submitting an accepted offer it will be necessary for each member of the group to sign an undertaking that each company in the group will be jointly and severally liable for the satisfactory performance of the contract.

### **III.2) Conditions related to the contract**

#### **III.2.2) Contract performance conditions**

Bidders must comply with modern slavery act and operate an ethical supply chain.

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Negotiated procedure with prior call for competition

#### **IV.1.3) Information about a framework agreement or a dynamic purchasing system**

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

### **IV.2) Administrative information**

#### **IV.2.2) Time limit for receipt of tenders or requests to participate**

Date

27 April 2021

Local time

12:00pm

#### **IV.2.4) Languages in which tenders or requests to participate may be submitted**

English

---

## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.2) Information about electronic workflows**

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

### **VI.3) Additional information**

Scottish Water will not accept the SPD. We will only accept a completed Scottish Water PQQ document. This Notice does not preclude Scottish Water from issuing other notices for specific requirements. Responses to the FTS Notice will be evaluated and only successful applicants following PQQ evaluation will be invited to submit a tender. Scottish Water reserves the right to divide the scope of the contract into lots at tender and contract award stages as it deems appropriate. Applicants who fail to supply all of the information requested in response to this Notice or any resulting tender exercise may risk elimination.
