- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes

- UKH23 - Hertfordshire

II.2.4) Description of the procurement

The University of Hertfordshire ("The University") is looking for the provision and implementation of a dedicated platform that will consolidate Health & Safety information and management tasks into a centrally accessible management system. It aims to offer live information monitoring, action tracking, access to tools/resources (e.g. risk assessment tools, improved incident reporting), scalable reporting (organisationally and at an SBU/department level), and improved user interface and experience. It is intended that the contract will run for an initial period of three years with the option to extend by a further two years in one-year increments, subject to satisfactory performance. All University policies and regulations relating to information, security, data management, systems, and services, will apply to all contracts resulting from this tender.

II.2.5) Award criteria

Price
