Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:

- protection of exclusive rights, including intellectual property rights

Explanation:

The modification will facilitate the continuation of the existing managed service arrangements, functionality changes to effectively meet schools' requirements and permit transition to a new contract. The anticipated modification increase equates to GBP 33 000 000. The overall new modified contract value is GBP 546 000 000.

No aspect of the modification will alter the overall nature of the current contract as the scope of services will remain unaltered and any expenditure will not be permitted to exceed 50% of the value of the original contract agreement, this will be carefully monitored to ensure compliance.

Regulation 72(1)(b) permits an amendment to an existing contract: for additional works, services or supplies by the original contractor that have become necessary and were not included in the initial procurement, where a change of contractor -

- (i) cannot be made for economic or technical reasons such as requirements of interchangeability or interoperability with existing equipment, services or installations procured under the initial procurement; or
- (ii) would cause significant inconvenience or substantial duplication of costs for the contracting authority, provided that any increase in price does not exceed 50% of the value of the original contract.
