II.1.4) Short description of the contract or purchase(s)

Parts of military vehicles. Vehicle Support Team (VST) team, herein referred to as the Authority, has a requirement to enable procurement of a range of Capital Spares for the Foxhound fleet.

There are 8 Foxhound items included within scope of the contract (listed below), defined by NSNs and Manufacturer's Part Numbers (MPN) and supplemented with packaging and hazardous material codes.

If successful in their bid, successful tenderers shall be responsible for sourcing and delivering the required quantities of items, conforming to their NATO specifications, to the Authority.

The contract period will be from October 2020 until 31st March 2021.

Successful Tenderers will be required to:

- Ensure compliance with safety and quality standards;
- Manage traceability back to source at a unit level;

- Report on obsolescence to the Authority if raised during the procurement process;
- Deliver to UK MOD secure facilities.

Expressions of Interest to participate in this requirement are to be submitted on the DCO by completing the DPQQ.
