Options

The right to additional purchases while the contract is valid.

Successful Providers' contracts, as delivered under the Easter 2026 holiday provision, may be extended/varied to cover delivery in the Summer and or Christmas school holiday

period. At the sole discretion of the Council, providers will be identified and approached for Summer and or Christmas delivery, this is likely to be dependent on successful achievement from Easter 2026 delivery under this contract and Commissioners professional judgement.

If Successful Providers meet the threshold that the Commissioner deems as successful delivery, they will be emailed a proposal form for completion for the next school holiday period. The same evaluation criteria will be applied to the subsequent proposals.

There is also a possibility that DCC may acquire funding from different sources that may be used for main school holidays, half term holidays or funding for participants to attend that are not in receipt of Benefits-related Free School Meals. Where this is the case successful providers will be updated regarding the scope of delivery.

There is Essential Pass Fail criteria.

Bidders are also required to complete the 'Easter Proposal' excel form to present a holistic view of your offer so the Council can assess your proposal which should address how you will meet the national standards as set out below against the requirements of the contract, including the indicative participant numbers, variety of proposed activities and geographic factors.

The Council reserves the right to undertake the following:
