### **Scope**

### **Description**

UK Power Networks (Operations) Limited ("UK Power Networks") is running a preliminary market engagement exercise on behalf of the regulated electricity distribution businesses owned by London Power Networks plc, Eastern Power Networks plc and South Eastern Power Networks plc. Additionally this exercise is made for the benefit of UK Power Networks Holdings Limited's group companies.

We are seeking to hear from providers of Land Referencing and Due Diligence Platforms / Solutions. Our high-level requirement is a platform / system for procuring land registry searches easily and quickly to understand ownership of land and restrictions, planning permissions as well as monitoring our ownership and interests.

Following completion of this exercise we will conduct a review of the responses received which will potentially result in us refining our requirements and/or developing our procurement strategy.
