- UKL - Wales

II.2.4) Description of the procurement

The programme of work will respond to various commissions into the constitutional arrangements in Wales and their findings around justice, as well as contributing and

building upon existing research relating to the devolution of justice. The research programme will provide three areas of work:

To assist in the assessment of preparedness, capacity and capability for further devolution of justice and policing functions and powers within Welsh Government, as well as potentially within the Senedd and partner and stakeholder organisations in the justice, policing and legal and advice sectors in Wales.

To inform discussions and developments relating to the devolution of justice and policing functions and powers, and to consider existing practices to improve outcomes under the current constitutional arrangements. The primary focus will be on youth justice, probation and policing while allowing for the consideration of other aspects of criminal justice where necessary.

To provide analysis and research considering the
