II.2.4) Description of the procurement

This Lot is seeking the provision of a suitably permitted or licensed waste reception facility to receive Bulky Waste from HWRCs and other sources within the Wigtown operational area of the region. The facility must be within approximately 10 miles by road of Stranraer Zero Waste Park. Upon receipt of the waste the service provider must ensure that it is stored, transported, treated and disposed of properly and in accordance with all applicable laws, permissions, consents, licences, permits and the waste duty of care requirements. Treatment options offered should be as far up the waste hierarchy as possible. Deliveries to the Service Providers Nominated Facility may include material collected by the Council's bulky collection service and/or skip services, including bulky and small mixed material aggregated at Household Waste Recycling Centres (HWRCs) or other bulking point(s) in a mixed form. Material is likely to include large household or commercial items such as furniture, mattresses, carpets, mixed garden waste and items from DIY-type construction operations. Material may include arisings from building maintenance, housing clearance/refurbishment, roads, grounds maintenance, street sweepings, litter picking, fly tipping, site clearance, country parks, education and other Council services and commercial customer's waste. Additional material arisings could include wood, plastic, metal, glass, tiles and ceramics.

This Lot will be delivered by the Council in either roll-on roll-off skip vehicles; caged tipper vehicles; or walking floor articulated vehicles.
