This contract is divided into lots: No

## **II.2) Description**

### **II.2.3) Place of performance**

NUTS codes

- UKC2 - Northumberland and Tyne and Wear

### **II.2.4) Description of the procurement**

Gentoo has a number of offices, depots and blocks within the boundaries of Sunderland, Houghton, Hetton and Washington – Tyne and Wear. Many of these premises have heating ventilation and cooling (HVAC) systems installed within them.

The Group is currently seeking to procure a Contractor to deliver preventative maintenance services to all of those systems. This will be undertaken by carrying out regular inspections of all equipment in a planned manner, identifying current or potential future issues and then carrying out any necessary repairs to ensure the systems continue to operate effectively.

In addition to the above, the Provider will also be required to attend and rectify the systems as and when they fail to operate effectively or break down completely. This work is responsive, and will be required to be completed within pre-set timeframes. Effectively, this tender is to procure Providers to control all maintenance and repair works required to these systems.

It is the intention of Gentoo to appoint one Provider to deliver these works.

## **II.3) Estimated date of publication of contract notice**

28 February 2024

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: No
