This Market Engagement Questionnaire (MEQ) seeks the views and opinions of those organisations that may be interested in delivering the Service.

Greater Manchester NHS Trusts wish to understand the views of interested providers, particularly in relation to delivering the contract as a collaborate group and any savings/benefits that can be achieved.

Responses to this invitation for expressions of interest are likely to initiate follow-up engagement by the Greater Manchester Trusts as well as sharing of developing documentation such as service specification and commercial modelling ahead of any procurement process.

II.2.14) Additional information

Further information about the proposed service model for domestic waste services for the Greater Manchester NHS Trusts, is available at <https://nhssbs.eu-supply.com/>.

VI.3) Additional information

***TO EXPRESS YOUR INTEREST and to COMMENCE ENGAGEMENT with the Greater Manchester NHS Trusts, you are invited to review and then to COMPLETE a Market Engagement Questionnaire (MEQ) and return this ASAP by 12noon, Friday 25th March 2022.

Please return your completed MEQ via the messaging facility of the e-procurement system "EU-Supply" which is available at <https://nhssbs.eu-supply.com>.

*Note: If not already registered with EU-Supply, you will need to register FREE of charge. This will be the main portal to be used to communicate with interested providers, and through which the procurement process will be managed. An attached document "EU-Supply User Guide" will be helpful. If you need technical support on the EU-Supply Portal, please contact the EU-Supply Helpdesk on 0800 840 2050 or support@eu-supply.com.

Once logged into EU-Supply, search for Tender/RFI ID 50590 - "Market Engagement - Greater Manchester Domestic Waste".

Provider organisations responding with a completed Market Engagement Questionnaire to confirm their interest, are likely to be invited to engage further with the Greater Manchester NHS Trusts, including sharing latest versions of the service specifications, activity and financial modelling and the commercial approach being developed for the contract - all ahead of any possible procurement process.

Note, whilst your response is not a pre-requisite to any future procurement opportunity, responses, or lack of them will be used by the Greater Manchester NHS Trusts as evidence and inform selection of the most appropriate process to award a contract(s), including whether a competitive process should be used.
