II.1.4) Short description

The Ministry of Justice intends to run an open competition within the coming months and further

notices will be published to notify the market when live. The competition will be run on the MoJ's esourcing platform Jaggaer which will host the full specification and tendering details.

The Ministry of Justice would like to invite potential suppliers specialising in formal training qualifications for working at height to bid.

The Operational Response and Resilience Unit (ORRU) responds to all incidents nationally where

establishments require support and the correct skills level to manage the Working at Height curriculum and to maintain operational capability in resolving incidents at height.

Potential suppliers will be required to offer Industrial Rope Access Trade Association

(IRATA)

Qualification, observing HMPPS training as well as quality assurance on the training manual the ORRU have developed.

This notice is for information only and The Authority reserves the right to not proceed to tender.

Additionally, the Authority (MoJ) reserves the right to discontinue the tendering process and not to

award a contract. The information contained in this notice including information relating to the nature and scope of the requirements, the estimated value, the service classification of this requirement or the list of CPV codes, is only indicative of current thinking and is neither exhaustive nor binding and the Authority reserves the right to absolute discretion to amend it at the time of issue of any further notice or notices or at any other time. The publication of this notice in no way obliges the Authority to commence any competitive tender process.
