Buyer's address

<http://www.northtyneside.gov.uk/>

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

EV076 Killingworth Sustainable Retrofit Project Site Wide Solar Photovoltaic Installations
PRF 19-042

Reference number

DN491907

II.1.2) Main CPV code

- 09000000 - Petroleum products, fuel, electricity and other sources of energy

II.1.3) Type of contract

Supplies

II.1.4) Short description

EV076 Killingworth Sustainable Retrofit Project Site Wide Solar Photovoltaic Installations
PRF 19-042

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £1,050,000

II.2) Description

II.2.2) Additional CPV code(s)

- 09000000 - Petroleum products, fuel, electricity and other sources of energy

II.2.3) Place of performance

NUTS codes

- UKC22 - Tyneside

II.2.4) Description of the procurement

EV076 Killingworth Sustainable Retrofit Project Site Wide Solar Photovoltaic Installations PRF 19-042. This tender is part of a European Regional Development Fund (ERDF) supported project to refurbish the authority's main operational depot in Killingworth. The core philosophy and key output of the project is the plan to adopt, create and integrate a smart building and 'intelligent' mini grid of innovative technology as part of a whole place solution approach.

The solar PV element is one of several energy efficiency and generation measures to:

- reduce the depots requirement for primary energy from the National Power Grid;
- promote the generation, storage and distribution of energy derived from renewable sources;
- reduce the depot's carbon footprint.

The Solar PV works are a key project element in delivering the ERDF outputs as outlined in our funding agreement and the works information is detailed on supplied drawings which outline a PV maximum generation target of 852 kWp. For the avoidance of doubt, a

failure to comply with the Works Information could potentially result in funding clawback under the funding agreement. The authority will be undertaking separate procurement exercises for battery storage and electric vehicle charging solutions they do not form part of the requirements for this specific tender exercise.

This works package is to be completed in phases by the end June 2021.

II.2.5) Award criteria

Quality criterion - Name: Project Delivery / Weighting: 15

Quality criterion - Name: Installation Proposals / Weighting: 15

Quality criterion - Name: Management Structure and Resources / Weighting: 5

Quality criterion - Name: Delivery Programme / Weighting: 5

Quality criterion - Name: Maintenance / Weighting: 5

Quality criterion - Name: Climate Emergency / Weighting: 5

Price - Weighting: 50

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

EV076 Operational Depot Accommodation Project / The Killingworth Sustainable Retrofit Project

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2020/S 215-528549](#)

Section V. Award of contract

Contract No

DN491907

Lot No

1

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

2 March 2021

V.2.2) Information about tenders

Number of tenders received: 11

The contract has been awarded to a group of economic operators: No

V.2.3) Name and address of the contractor

Custom Solar Ltd

Chesterfield

S41 9QJ

Country

United Kingdom

NUTS code

- UKF1 - Derbyshire and Nottinghamshire

The contractor is an SME

Yes

V.2.4) Information on value of contract/lot (excluding VAT)

Total value of the contract/lot: £431,461

Section VI. Complementary information

VI.4) Procedures for review

VI.4.1) Review body

North Tyneside Council

North Tyneside
