VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Extension to the end date by 2 years to the 30th September 2027 and increase the overall value to £300000000.00

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The Framework partner has and is carrying out significant upfront work on several ongoing projects within the JV that would be ready to initiate in 2025. The timescales to complete a competitive process will result to significant delays in bringing those projects forward with work in progress being halted. This delay will impact on receipt of key revenues and impacts the timeline for key housing site delivery

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £150,000,000

Total contract value after the modifications

Value excluding VAT: £300,000,000
