- 79400000 - Business and management consultancy and related services

II.2.3) Place of performance

NUTS codes

- UKH14 - Suffolk

II.2.4) Description of the procurement

Suffolk County Council (SCC) in partnership with local groups including parents/carers, people with lived experience, NHS Clinical Commissioning groups, the Norfolk and Suffolk Foundation Trust have formed a working group to develop the specification to contract with an organisation/organisations to deliver Suffolk's All Ages Autism strategy. We currently envisage the contract as forming an Autism Partnership Board and through that developing an all age Autism strategy for Suffolk. This will require co-production involving various stakeholders, most importantly those with lived experience or in a caring role for someone with lived experience. This expertise will need to be considered alongside views from a range of stakeholders across education, youth justice, police and statutory health and social care services (Adult & Community Services and Children's & Young People (CYP) Directorates). We want to hear your views about what an all-ages Autism strategy and partnership board contract could deliver for Suffolk and request the completion of this questionnaire by 8th April 2022:
