II.1.4) Short description

HealthTrust Europe is seeking to award a Framework Agreement and to appoint providers who have

the capability of providing a comprehensive range of goods and services (collectively known as

products), to support the delivery of Wholesale and Distribution Services of the CPV codes listed in

section 2.1.2 of this notice and their respective child codes.

The purpose of this Framework is to enable the provision of a breadth of high-quality Equipment,

Consumables and Services, to meet different requirements of Participating Authorities and assist in

improving supply chain outcomes.

This framework will consist of the following lots:

- Lot 1: Supply of Goods and Distribution - The scope of this lot is for customers to have access to a

lot including distribution, stocking and management of an agreed portfolio.

- Lot 2: Marketplace - The scope of this lot will facilitate an online marketplace and can be operated

by a single company that manages all sales or can be a platform where multiple third-party sellers

can sell directly to Participating Authorities.

- Lot 3: Managed Service - The scope of this lot will facilitate Managed Services. These services can

provide a wide range of functions listed in the specification.

- Lot 4: Aggregated Lot - The scope of this lot enables Participating Authorities to tailor bespoke

products and service to accommodate their requirements and contractually commit in advance to

purchasing a specified value and/or volume of their requirements.
