Changes to notice

This notice has been edited. The [previous version](#) is still available.

Scope

Description

Bournemouth, Christchurch and Poole Council (BCP Council) is establishing a Framework for the implementation of a solar PV rollout programme including:

1 Lot 1 Supply and installation of solar PV systems under 50 KW

2 Lot 2 Supply and installation of solar PV systems above 50 KW.

3 Lot 3 The survey and assessment of the structural integrity and load-bearing capacity of a roof or building structure. This will be used as and when required and instructed by BCP.

The anticipated start date of the contract is April 2026. The framework will be for four years.

To access the procurement documentation, bidders must click on the 'Register interest in this opportunity' button in the top right. Once bidders have registered their interest they can access the full procurement documentation from 'My Activities' on the home page. Bidders must ensure that they complete and submit the required documentation prior to the deadline indicated and in accordance with the instructions within the procurement documentation.
