-

Participation

Particular suitability

Small and medium-sized enterprises (SME)

Other information

Description of risks to contract performance

Losing AE functions for a significant period of time could leave the Trust open to compliance issues and failure to

meet health and safety regulations. Failure to appoint an AE where HTM guidance applies could expose the Trust

to regulatory enforcement, litigation, and reputational risk, because it would indicate a gap in governance for critical

systems.

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Direct award

Direct award justification

Single supplier - technical reasons

The Trust need to maintain continuity of AE function.
