Year 1

Tenderers are required to contact Falkirk Council to discuss in more detail the types of community benefits that could be delivered in Year 1 based on anticipated spend. PS26125 Appendix E Schedule 6 Community Benefits Points Based provides a 'menu' of Community Benefits which can be used as a starting point for discussions.

Tenderers are required to complete Annex A below detailing what community benefits will be delivered in Year 1, if successful, and include within their tender submission.

The successful contractor(s) will meet with Council Officers prior to contract start to agree community benefit delivery for Year 1.

Year 2 onwards

Tenderers are required to meet with Falkirk Council at the beginning of each year to agree what community benefits will be delivered that year based on anticipated spend.
