- Working in collaboration with The Council to ensure a Statutorily Compliant and Safe Environment is clearly demonstrable across the portfolio of properties.
- To deploy techniques, equipment, innovation and contract management that result in a consistent outcome that meets the required standards.
- To deliver a solution that through a genuine best value approach derives an economical and efficient service arrangement for The Council.
- All Services shall be performed in a manner that minimises disruption to the working environment, the internal maintenance teams, the staff, visitors and members of the public, whilst ensuring optimal productivity and utilisation of resources.
- To proactively recognise and promote the Social Responsibilities as defined within The Council's Fair City Policy, alongside the Service Provider's own policy.
- To integrate seamlessly with The Council's Strategic Delivery of Services, adopting the Concerto Computer Aided Facilities Management (CAFM) System as the single Data Centre for all information produced as a result of the Services Delivered.
