• 71314000 - Energy and related services

II.1.3) Type of contract

Services

II.1.4) Short description

This procurement is being conducted by Worcestershire County Council on behalf of the Fourth Midlands Connect EV Infrastructure Consortium to deliver the Local Electric Vehicle Infrastructure Scheme (LEVI) to accelerate the number of on-street Electric Vehicle Chargepoints across the consortium via a concession agreement. This consortium is made up of the following Commissioning bodies:• Leicestershire County Council• Rutland County Council District Council• Warwickshire County Council• Worcestershire County CouncilThe consortium approach is being used to help to support the concessionaire with long term delivery of Chargepoints allowing the ability to balance the Consortium sites to ensure that rural and less affluent areas are supported. On behalf of the Consortium, Worcestershire County Council is seeking tenders from suitably experienced and qualified entities for the provision of this EV Charging Infrastructure.

II.1.5) Estimated total value

Value excluding VAT: £235,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

The contracting authority reserves the right to award contracts combining the following

lots or groups of lots:

To avoid monopolies a bidder may bid for both Lots but will only be awarded one Lot. The Consortium reserves the right to award a second Lot to the same bidder where the bidder is the only bidder for that Lot and where the bidder meets all the requirements as set out in this suite of ITT documents.
