II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Works and associated services performed under Lot 1 may take place at any location in the United Kingdom.

II.2.4) Description of the procurement

Lot 1 comprises the construction and installation of domestic modular constructed dwellings of various designs and the provision of all associated site works required for completion of the developments. Works will be priced under property archetype rates, schedules of rates and design services. Full details are included in the Specifications and Pricing Documents plus ancillary appendices. Call-off contracts may be made up to the framework agreement end date and therefore may be live beyond the end date of the Framework Agreement end date. The Framework will be for four years, but call-off contracts for works and services under it may be for up to 10 years. NBBC is following a two-stage Restricted procurement procedure under the Public Contracts Regulations 2015. Under the first stage, bidders are required to complete Lot-specific Selection Questionnaire documents. Following evaluation of submitted SQs, the Council anticipates shortlisting 10 bidders per Lot to be Invited to Tender under the second stage of the process. The Council anticipates awarding each Lot to 6 companies. The following Additional Clients and/ or other Additional Alliance Members may join the Alliance in accordance with clause 1.11: Any Local Authority or Registered Provider in the UK and their subsidiary and/or joint venture companies. Full details of the requirements and how to participate are in the procurement and Tender documents.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 10

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Lot No

2

II.2.2) Additional CPV code(s)

- 71000000 - Architectural, construction, engineering and inspection services
- 71500000 - Construction-related services
- 71541000 - Construction project management services
- 71400000 - Urban planning and landscape architectural services

- 79415200 - Design consultancy services
- 71540000 - Construction management services
- 71221000 - Architectural services for buildings
- 71251000 - Architectural and building-surveying services
- 71242000 - Project and design preparation, estimation of costs
- 71220000 - Architectural design services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Services performed under Lot 2 may take place at any location in the United Kingdom.

II.2.4) Description of the procurement

Lot 2 comprises the following:

- Architectural & Design Services in the pre-tender stage for Housing developments delivered using Modern Methods of Construction (MMC)
- Architectural & Design Services in the pre-tender stage for Housing developments delivered using a traditional Design & Build approach
- Employer's Agent Services for post tender services for Housing developments delivered using a traditional Design & Build approach. (This will only be used where the Architect/Lead Designer has been retained from the pre-tender stage)
- Principal Designer Services – single fee proposal for Housing delivered either through MMC, D & B or Traditional procurement

Call-off contracts may be made up to the framework agreement end date and therefore may be live beyond the end date of the Framework Agreement end date. The Framework will be for four years, but call-off contracts for works and services under it may be for up to 10 years. NBBC is following a two-stage Restricted procurement procedure under the Public Contracts Regulations 2015. Under the first stage, bidders are required to complete Lot-specific Selection Questionnaire documents. Following evaluation of submitted SQs, the Council anticipates shortlisting 10 bidders per Lot to be Invited to Tender under the second stage of the process. The Council anticipates awarding each Lot to 6 companies. The following Additional Clients and/ or other Additional Alliance Members may join the Alliance in accordance with clause 1.11: Any Local Authority or Registered Provider in the UK and their subsidiary and/or joint venture companies. Full details of the requirements and how to participate are in the procurement and Tender documents. In addition to the above the appointed Consultant may be awarded contracts for design services that relate to building types other than housing although this is not anticipated to be a substantial part of the Framework. Full details are included in the Specifications and Pricing

Documents plus ancillary appendices.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No
